

MONTAGUE ISLAND - PARTICIPANT FEEDBACK

"Just wanted to write and offer feedback on our recent trip to Montague. Basically it was just an absolutely fantastic weekend! The whole trip was very enjoyable; the education was very interesting and informative; the activities were fun; the accommodation was just beautiful and very comfortable; the service was so friendly and helpful (special thanks to Mark and Geoff and an amazing skipper on the boat. Daryl); the food was delicious and no expense was spared; the historical content was also very interesting; the conservation education was amazing (learning about the habitat and the wildlife) and the island itself was majestic."

"We had the most wonderful weekend on Montague Island!!!! It was truly magical. You have done an amazing job of making the stay interesting and varied for visitors, and we all had a very special weekend. Our guide Mark was fantastic -- just the sort of person to make everything come alive, yet not overwhelming"

"As I stood on a rock doing some yoga practice one morning, I felt incredibly privileged to be able to spend time on such a special island that is being valued and cared for by Conservation Volunteers and others. We are doing some great things in his country, and your island experience is certainly adding to the diversity of experiences on offer. By experiencing Australia in this way, how can we not help loving our country even more!"

"My friend and I had a wonderful time and we will definitely be going back. Thank you so much for providing the public with an opportunity for such a unique experience. I am now very keen to get involved in local conservation projects and intend on registering as a conservation member and volunteer"

"I participated in Montague island program on 7th-8th January. Thank you for everything on the island. I really enjoyed the time. I met great people and also, I was able to see penguins, seals and many birds! I hope I can visit the island again."

"Thank you for all the effort put in to make this a remarkable experience."

"Very valuable experience, certainly will recommend to friend as I would do it again!"

"We had a fantastic weekend. We will book out the whole house next year and bring friends."

"Having access to researchers who were willing and able to share their work was great!"

"The quality of the food was excellent – healthy, variety and delicious."
